

the Nordic Council of Ministers,
the Swedish Ministry of Education and Research,
NordForsk

and
the Swedish Research Council

invite you to a conference on Nordic Cooperation on Research Infrastructures.

The conference *Joint Nordic Focus on Research Infrastructure - Looking to the Future* will span a wide range of topics, all related to planned and existing large scale research facilities in the Nordic countries. It is aimed both at research leaders and policy makers. The focus will be on the joint efforts involved in these infrastructures, and on how to facilitate and improve the modes of collaboration for them.

Themes:

Materials & Molecules, Climate & Environment, Health & Welfare,
Education/Training, E-science/E-infrastructure

Opening remarks by:

Dagfinn Høybråten, Secretary General, Nordic Council of Ministers
and Peter Honeth, Swedish State Secretary, Higher Education and Research

Keynote speakers:

Prof. Christiane Alba-Simionesco, Laboratoire Léon Brillouin, on Materials & Molecules;
Prof. Markku Kulmala, University of Helsinki, on Climate & Environment;
Prof. Mads Melbye, Statens Serum Institut, on Health & Welfare;
and Prof. Kenneth Ruud, University of Tromsø, on E-science/E-infrastructure.

Date: 27-28 November 2013

Venue: Scandic Hotell Hasselbacken, Stockholm

Registration and Information: Please register at www.vr.se/NordicInfra2013. Registration will open on 9 September and close when the conference is full, or at the latest on 23 October. On the webpage you can also find the latest information regarding the conference.

We look forward to seeing you this November!
