

Members	Main subject area	Registers, cohorts, surveys or intervention studies used for research
<i>PhD Students</i>		
Kok Wai Giang	Cardiovascular epidemiology	Inpatient and Cause of Death registers, cohort studies
Susanne Nielsen	Cardiovascular epidemiology	Inpatient and Cause of Death registers, LISA, qualitative analyses
Christina Heden Ståhl	Cardiovascular epidemiology, stroke and diabetes	Inpatient and Cause of Death registers, NDR, cohort studies
Paolina Weidinger	Pharmacoepidemiology	Inpatient and Cause of Death registers, cohort studies
Martin Lindgren	Cardiovascular epidemiology, primary prevention	Cohort studies
<i>Post-Docs</i>		
Johanna Berg	Cardiovascular epidemiology	Inpatient and Cause of Death registers, cohort studies
Zacharias Mandalenakis	Adult Congenital Heart Disease	SWEDCON, Swedish congenital heart disease registry
<i>Researchers</i>		
Lena Björck	Cardiovascular Epidemiology	Inpatient and Cause of Death registers, quality of care registers, modeling studies, cohort studies
Marcus Lind	Diabetes, endocrinology	Inpatient and Cause of Death registers, Prescribed Drugs Registry, NDR, LISA, Swedish Cancer Registry
Masuma Novak	Health and health care inequality	Lisa Register, Inpatient and Cause of Death registers, Prescribed Drugs Registry
Jeong-Lim Kim	Occupational medicine	
Linus Schiöler	Biostatistics	
Dominique Hange	Depression and other mental health problems, sick leave, psychosomatic symptoms, women health	The Population Study of Women Gothenburg, PRIM-NET (Internetbased CBT), ADAS and Care-Manager
Ingmarie Skoglund	Primary care	
<i>Senior researchers</i>		
Annika Rosengren	Cardiovascular epidemiology	Inpatient and Cause of Death registers, LISA, quality of care registers, modeling, studies, cohort studies, population studies, intervention studies

Max Petzold MD	Biostatistics	Inpatient and Cause of Death registers, Prescribed Drug Registry, , Registry of the Total Population, National HIV/AIDS Registry, LISA.
Mikael Dellborg	Adult Congenital Heart Disease	SWEDCON, Swedish congenital heart disease registry
Kjell Toren	Occupational medicine	Inpatient and Cause of Death registers, Swedish Cancer Registry, LISA, ULLA,MONA, cohort studies.
Christina Jern	Stroke, genetics	Inpatient and Cause of Death registers, Prescribed Drugs Registry , Riks-Stroke, Väststroke,cohort studies
Kristian Bolin	Health economics	
Mikael Svenson	Health economics	Prescribed Drugs Registry
Maria Schaufelberger	Heart failure, cardiology	Inpatient and Cause of Death registers, Medical birth registry, Heart failure registry
Soffia Gudbjörnsdottir	Diabetes	National Diabetes Register, Inpatient and Cause of Death registers
Cecilia Björkelund MD	Primary care	The Population Study of Women Gothenburg
Gunnel Hensing MD	Mental health, alcohol, sickness absence, return to work, work capacity, gender	Cohort study: Women and Alcohol in Gothenburg (WAG), LISA , MIDAS, Survey: the Health Assets Project
Mikael Gilljam	Political sciences	
David Karlsson, lecturer	Political sciences	
Staffan Björck	Administrator Register Centrum, VGR	
<i>Technical and Administrative staff</i>		
Martin Adiels	Biostatistics, statistical modeling	Data management, administrative and quality registers, cohort studies, modeling studies, intervention studies, kinetic studies
Georg Lappas	Biostatistics	Data management, administrative and quality registers, cohort studies, modeling studies
Tatiana Zverkova	Biostatistics, pharmacoepidemiology	Data management, administrative and quality registers, cohort studies.
Christel Jansson	Research administrator
